

Rate LGA's effectiveness on INVASIVE AQUATIC WEEDS - (e.g., support and/or influence Weed Control Council and Stakeholders Board, influence / appeal to government entities, educate the public)

County	Full Time/Part Time	Rating	Comments
Brunswick	Full Time	Excellent	We really like the Spraying Program.
Northampton	Full Time	Poor	PROPERTY VALUES DECREASE AS THE WEED POPULATION INCREASES WITH THE BLESSING OF OVER-ZEALOUS ENVIRONMENTALISTS
Northampton	Part Time	Good	Lyngbya is becoming a real problem in our area. Hope there will be a way of controlling it soon.
Halifax	Part Time	Poor	See above.
Warren	Full Time	Good	Lyngbya Is becoming an issue.
Warren	Full Time	Good	Great job on the Hydrilla I have lyngbya algae in our cove. I would like to see this weed treated so it does not get out of control.
Warren	Full Time	Good	Take a stronger position in longer term control of Water Willow
Warren	Full Time	Poor	Stop reinventing the wheel. It seems that the only thing that matters on this lake is what ever generates the bang cot the buck. Stop and smell the roses.
Warren	Full Time	Good	Insure adequate numbers of grass carp are being released to keep Hydrilla under control as it has been the last several years !
Warren	Part Time	Excellent	Good community partnerships with Weed Control, NC State.
