County	Full Time/Part Time	Member Status	Why Not Join?
Halifax	Part Time	Member	Just recently purchased property. In time, I fully intend to join, but I want to see/learn what LGA is all about first.
Warren	Part Time	Non-Member	Havent really thought about it. Also, as a non-resident who is at the lake all too seldom, opportunities for involvement are very limited.
Warren	Part Time	Member	I am a member, but our HOA is not a member. The board has talked down any idea of joining LGA with comments that LGA is a political organization. Yet some of the Board members are LGA members. I would like our HOA to join LGA, but LGA will have to sell the non-resident owners who lack a voice in Lake matters..
Warren	Full Time	Former Member	See above.

Warren	Full Time	Non-Member	Unaware of the need to join or how.
