Comments - Safety			
County	FullTime	Rating

Warren, NC	Part Time	Fair	Need better E.M.S.
Multiple Properties/Counties	Please Choose	Fair	This is an area in which the primary responsibility lies with individuals and households, with government as the enforcer. We could all do a better job of informing law enforcement of violators. A ready source of numbers to call, etc., would be of help

Northampton, NC	Full Time	Good	Very little police seen
Warren, NC	Part Time	Good	Safety will improve as the funding of various budgets improves and more training is conducted
Warren, NC	Full Time	Poor	emergency medical response
Mecklenburg, VA	Part Time	Poor	No impact
Northampton, NC	Full Time	Poor	Not aware of any activity and in Northampton, police response does not even facilitate installing a security system because of the response time
