County	FullTime	Rating	
Multiple Properties/Counties	Please Choose	Fair	LGA has been a player in decisions re weed control, etc. I think most of us have questions about the adverse effect of chemicals, etc. LGA might secure reports from experts on such matters, and make them available to members.
Northampton, NC	Full Time	Fair	LGA's actions are limited, apparently, by the duties of other groups.
Mecklenburg, VA	Part Time	Fair	Hydrilla problem
Mecklenburg, VA	Part Time	Fair	This seems to be what you spend most of your time on.
Halifax, NC	Part Time	Fair	Too much variation. Especially too low on weekends in creeks.
Mecklenburg, VA	Full Time	Fair	It would be great to have a clear lake instead of a brown lake.
Northampton, NC	Part Time	Fair	Seems very active, but effectiveness?
Warren, NC	Part Time	Fair	I am glad I am not down stream. More grass carp, less chemicals.
Warren, NC	Full Time	Fair	Push for effective hydrilla control.
Warren, NC	Part Time	Fair	We need more carp and less chemicals and better level control
Warren, NC	Full Time	Fair	Good efforts to be involved, not sure of LGA's actual impact/effectiveness
Mecklenburg, VA	Part Time	Fair	little info available to judge
Northampton, NC	Part Time	Good	Need to have the winners pay dues an/or be active. Alot of non-residents want it all and do nothing
Northampton, NC	Full Time	Good	Have Dominion Power involved more
Warren, NC	Full Time	Good	but this is a wasted effort addressing a non problem
Northampton, NC	Full Time	Good	Seems to be the best of the categories
Warren, NC	Part Time	Good	This category requires micromanagement and accountability with respect to county, state and federal agencies
Warren, NC	Part Time	Poor	weed control is bad
Warren, NC	Part Time	Poor	NEED MORE ACTION (NOT JUST PLANNING) ON WEED CONTROL AND OTHER LAKE ISSUES AFFEDTING THE ENJOYMENT OF THE LAKE.
Warren, NC	Part Time	Poor	Seems to be starting this spring.
Multiple Properties/Counties	Full Time	Poor	I see little to no involvement on your part.
Warren, NC	Part Time	Poor	Shoreline is becoming a ring of rip/rap. Trees are all removed.
