

**COMMENTARY - GENERAL**

County	Category	
Warren, NC	Area Development	As things grow around the lake, We should develop a group direction for the lake. Feed back like this is a good start. Maybe we should get community response for the individual problems to develop direction.
Northampton, NC	Area Development	I do not believe LGA should get into the arena of trying to set building or development regulations.
Northampton, NC	Communications	Comment to go with NO answer to ...satisfied with info and Alerts "Need telephone tree for non e-mail"
Northampton, NC	Communications	Need more info or where to obtain.
Northampton, NC	Communications	Providing a survey such as this one gives the members the opportunity to "speak" to the Lake Gaston Association and also gives the members confidence that Lake Gaston will continue to be a fine home.
Warren, NC	Communications	I get a lot of information I wouldn't know if not for LGA
Warren, NC	Communications	We have been A member for A long Time. I like geting the E-Mails and news of what is going on. We are part time residents and this is the only way for us to know what is happening.

Brunswick, VA	Communications	How do you get your info. out to new property owners? I have owned property
Warren, NC	County Services	Would like to persue having a cell phone tower in the area in order to user cell phone while at the Lake.
Multiple Properties/Counties	Discount	You should reinstate the discount for multiple year renewals.
Northampton, NC	Environ/Water Qual	Most concerned with the loss of shoreline from wind driven wave action. Am faced with reconstruction cost on our property
Warren, NC	Fishing	does the LGA have a position of stocking the lake with game fish - is the lake regularly stocked with bass etc?

Warren, NC	LGA	I am grateful for all LGA efforts. Hope to actively participate when we build and retire fulltime in the next two years
Northampton, NC	LGA	I am disappointed that we now have so many groups supposedly working for the good of the lake. LGA used to be the single voice. Now we have a bueracratic nightmare. Thank you
Warren, NC	LGA	Get it done...
Warren, NC	LGA	LGA Directors need actual member votes on serious issues, ie tax
Northampton, NC	LGA	I must thank the hardworking people of LGA. It takes alot of work and an enormous amount of time to make sure that the residents and non- residents are kept aware. I thank each of you

Warren, NC	LGA	The LGA has made great strides in addressing the concerns of the lake community. Hopefully more people will be more aware of its value as a united voice to address and represent them in all areas of lake life! Thank you for volunteering to do this!!
Northampton, NC	LGA	Lake Gaston can be of great benefit to all, including people on and off the lake, businesses within 50 miles and the State of N.C. We need smart politicians for the lake.
Northampton, NC	LGA	Comment to go with 1),2),3) organization question - too many committees, too much \$ spent on "surveys" therefore too much repetition
Warren, NC	LGA	I think that the Association generally does a good job. However, I think that by having your meetings during the week, you leave out those of us who only live at the lake part time.
Multiple Properties/Counties	LGA	As a board member - we recognize the value of our organization in attacking the important issues for the lake property owners.
Halifax, NC	LGA	Too bad you did not use a category "Excellent" -- I'd have used it a good deal. I'm not sure the majority of members and certainly not non-members appreciate the difficulty of representing such a large, diverse group! Good job.
Warren, NC	LGA	Keep up the good work, all LGA volunteers do a great job. LGA is like any other
Warren, NC	LGA	Keep up the good work. You are the only voice we have.
Warren, NC	LGA	You can't please everyone. Keep up the good work you are doing.
Halifax, NC	LGA	Keep up the good work
Northampton, NC	LGA	LGA succeeds through a large number of very dedicated ,professional and capable volunteers. I commend each and every organizational member for their untiring and dedicated work. Thank you.

Northampton, NC	Other / Misc	The following comments are provided:
Warren, NC	Public Affairs	LGA needs to build and flex political muscle to be effective

County	Category	
Warren, NC	Taxes	I would like to see more done in getting us something (anything) for the taxes we give the county. The lake area is paying the most taxes with no return.
Brunswick, VA	Taxes	Recent local tax assessments and tax increases concern me. I hope to retire at Lake Gaston, but the current trend on taxes and assessments may preclude that long time dream.
Mecklenburg, VA	Taxes	Rising real estate values will generate higher assessments. Tax rates should
Mecklenburg, VA	Water Safety	The dangers associated with reckless PWC usage should be dealt with before more people die.
Warren, NC	Water Safety	We have got to get the damn bass fishermen under control. they come out of our narrow cove full blast,
Brunswick, VA	Water Safety	work with coast guard auxillary to educate boaters. place more marker buoys
Halifax, NC	Water Safety	Comment goes with mandatory boater education answer - for young people because the ones we have seen have no respect for the water
Mecklenburg, VA	Water Safety	Need to increase boating safety and remove obnoxious weeds
Brunswick, VA	Water Safety	I would like to see more strict laws/ regulations governing preservation of the quality of water, safety issues concerning water activies, and the perservation of the shore line. Erosin of land issues due to boat wakes .
Mecklenburg, VA	Weeds	The proof of value of the organization has to be in the end result. Lake weeds
Northampton, NC	Weeds	need more than 15 grass carp per acre
Warren, NC	Weeds	You have not listened to the rational comments about how weed control can be a win-win for fishermen, environmentalists, and others. The Carp program is a disaster waiting to happen. Please stop!!
Mecklenburg, VA	Weeds	Need more weed control
Northampton, NC	Weeds	Hydrilla is my biggest problem.
Northampton, NC	Weeds	Lets resolve the hydrilla problem!
Brunswick, VA	Weeds	Would dredging the entire lake help the weed situation? Would dredging shallow portions of the Lake help the weed situation?
Northampton, NC	Weeds	You really need to have three or four viable weed control contractors. The existing company appears to be using the contacts for their profit only. I hear they sell maps to fishermen showing where the weeds have not been treated etc.,
Please Choose	Weeds	I do not own lake property, but own a boat and spend a great deal of time on the lake. I hope the weed control problem can be brought under control soon. I am also very concerned about
